Utilities

211

Dial 211 from any phone for free information about other community resources.

Electric

Low-Income Home Energy Assistance Program (LIHEAP)

Provides help with paying winter heating bills, and occasionally summer cooling bills. LIHEAP funds may be used to pay an electric bill even if electricity is not the main source of heat. There are household income requirements for this program. LIHEAP has two components:

1. CASH provides a cash payment directly to the utility, to be applied toward bill reduction if certain guidelines are met.
2. CRISIS provides a grant to help avoid shut off of electric service, which resulted from over-due bills. This grant also can be used to restore service shut off during the winter months.

www.compass.state.pa.us or 1-866-857-7095

Pennsylvania Customer Assistance Program (PCAP)

Helps residential customers maintain electric service and eliminate their past-due balance by offering a reduced bill that is based on a percentage of income and debt forgiveness. Debt forgiveness credits are applied directly to participants' electric service accounts in recognition of payments that are made on time and paid in-full. PCAP participants also are automatically enrolled in the Equal Payment Plan (EPP) – a budget plan that provides the ability to make consistent monthly payments.

Enrollment in the EPP is a requirement for PCAP.

1-888-282-6816

Second Chance Ministries

Provides assistance with electric bills for low-income families.

717-404-2414

WARM Program - Low Income Usage Reduction Program

Energy Assistance for Seniors and/or Those with Medical Needs

Critical Customer Care Program (medical needs assistance)

Helps customers who use certain electrically operated life sustaining medical equipment in their home for whom a service interruption could be immediately life threatening, or would make operation of necessary medical or life supporting equipment impossible or impractical - prepare for planned and unplanned power outages. Please call if someone in your home uses this type of medical equipment.

1-800-545-7741

Customer Assistance & Referral Evaluation Services Program (CARES)

Provides short-term assistance to residential customers who are 60 years or older, disabled, seriously ill, or those who house a seriously ill family member.

1-800-962-4848

Energy Assistance for Seniors and/or Those with Medical Needs (continued)

Dollar Energy Fund

Designed to help residential customers who have suffered a recent financial hardship and need temporary help in paying their electric bill. The distribution of funds is administered by community-based organizations throughout the Penelec service territory.
www.dollarenergy.org or 1-888-282-6816

Medical Certification

Customers with severe health problems may have a licensed physician certify in writing that a termination of electric service would be especially dangerous. The medical certification will postpone the termination of electric service for 30 days. The certification is designed to provide the customer with additional time to pay their past-due balance. The customer is still responsible for the past-due amount and will be given the opportunity to pay the balance in monthly installments.

The Salvation Army, Chambersburg (senior heating assistance)

Assistance is available to help pay heating bills (electric, kerosene, fuel oil). Individuals who are age 60 and over can apply for assistance with their heating bill during the timeframe of December 1– April 30.
