Low-Income Home Energy Assistance Program (LIHEAP)

Provides help with paying heating bills, and occasionally cooling bills. Funds may be used to pay an electric bill even if electricity is not the main source of heat. There are household income requirements for this program. LIHEAP has two components:

1. CASH provides a cash payment directly to the utility, to be applied toward bill reduction if certain guidelines are met.
2. CRISIS provides a grant to help avoid shut off of electric service from overdue bills. This grant also can be used to restore service shut off during the winter months.

Pennsylvania Customer Assistance Program (PCAP)

Helps residential customers maintain electric and eliminate their past-due balance by offering a reduced bill based on income and debt forgiveness. Debt forgiveness credits are applied directly to participants' electric service accounts in recognition of payments that are made on time and paid in full. PCAP participants also are automatically enrolled in the Equal Payment Plan (EPP) – a budget plan that provides the ability to make consistent monthly payments. Enrollment in the EPP is a requirement for PCAP.

Critical Customer Care Program (Medical Needs Assistance)

Helps customers who use certain electrically operated life sustaining medical equipment in their home, for whom a service interruption could be immediately life threatening, or would make operation of necessary medical or life supporting equipment impossible or impractical, prepare for planned and unplanned power outages. Please call if someone in your home uses this type of medical equipment.

1-800-545-7741

Dollar Energy Fund

Designed to help residential customers who have suffered a recent financial hardship and need temporary help in paying electric bills. The distribution of funds is administered by community-based organizations throughout the Penelec service territory. Open from October until funds are exhausted.

www.dollarenergy.org • 1-888-282-6816

Medical Certification

Customers with severe health problems may have a licensed physician certify in writing that a termination of electric service would be especially dangerous. The medical certification will postpone the termination of electric service for 30 days. The certification is designed to provide the customer with additional time to pay their past-due balance. The customer is still responsible for the past-due amount and will be given the opportunity to pay the balance in monthly installments.

The Salvation Army, Chambersburg (Senior Heating Assistance)

Assistance is available to help pay heating bills (electric, kerosene, fuel oil). Individuals who are age 60 and over can apply for assistance with their heating bill during the time frame of December 1- April 30.
